ORIGINAL TEXT

Planet Earth is our home and the third planet from the Sun. It is the only known planet that has liquid water, air, and living things like plants and animals. Earth goes around the Sun once every year and spins around every day to give us day and night. We must keep our planet clean and healthy by planting trees and avoiding pollution.

SIMPLIFIED TEXT

Planet Earth is our home. It is the third planet from the Sun. It is the only known planet. It has liquid water, air and living things like plants and animals. Earth goes around the Sun once a year. It spins around every day. We get day and night. We must keep our planet clean. We must avoid pollution.
