ORIGINAL TEXT

Once upon a time, a quick little mouse named Pip lived in a small hole behind a kitchen wall. In the same house lived a big, fluffy cat named Leo, who loved to chase Pip every day. One afternoon, Leo got his tail stuck under a heavy wooden block while chasing a ball of yarn. He meowed loudly for help, but no one was around. Pip felt sorry for the cat, so he used a small wooden stick to carefully lever the block up and free Leo's tail. Leo was so grateful that he promised never to hunt Pip again, and from that day on, the cat and the mouse became the best of friends.
